General Description

AddCorp offers in collaboration with Arbetsförmedlingen (AF) a highly qualified and bespoke job coaching program developed by the company called The **AddCoach** Program for job seekers. Coaching is characterized by an *individual perspective* and made to quickly lead to a clearly improved job situation for the job seeker.

AddCoach consists of the most modern HR-methods in order for the client to stand a good chance on today's demanding job market. The program runs for 12 weeks and is offered completely free of cost. Application is done directly to the local Arbetsförmedling office.

The **AddCoach** Program is suitable for all categories of job seekers and especially for:

- Immigrants/ foreigners, seniors and youth.
- Management and/ or with international experience.
- Special requests – Job seekers who prefer to communicate in either English or Spanish are offered coaching in the language they prefer.
- Other requests - We are always open to discuss how we can offer job coaching services in a way that suits our clients. Contact us!
